

TRENTON
Military Family Resource Centre
Centre de ressources pour les familles de militaires

June 17, 2008

Dear Carl Wilson,

On behalf of the Trenton Military Family Resource Centre and the families of the military members of 8 Wing Trenton, I would like to offer our sincere appreciation for your support of our Fourth Annual Invisible Ribbon Fundraising Gala. With your generous support, we were able raise more than \$32,000 which will be used to support and improve our services and programs for military families.

The goal of the MFRC is to encourage the development of strong, healthy families who are able to manage the many and often unique demands of military life. Programs that will benefit from your generosity include those that provide special support for families experiencing separation due to military assignments; respite child care, the Children's Deployment Program, and packages for deployed personnel. In addition, your generosity will help us provide information and resources for families new to the Quinte area, an online "Job Shop" program for military spouses seeking employment, summer programs and outings for the children in the MFRC Daycare, the Youth Centre, counselling and referral services, and a special fund for families encountering unusual hardship. Included is our 'Touching Base' newsletter with additional information about our services and programs.

Military families are a vital component of our Quinte area communities. They shop, work or go to school here, participate in all community programs and events and provide hundreds of volunteer hours to the community. Your support, acceptance, and understanding of these military families encourage their active involvement in making this a vital and healthy community.

Once again, thank-you for your support of the Fourth Annual Invisible Ribbon Gala. We look forward to seeing you at next year's Gala, on May 02, 2009.

Yours sincerely,

John Smylie
Chair of the Board of Directors
Trenton Military Family Resource Centre
